

COME TO MY Eagle Project!

- Who:** Aidan Branch, Life Scout – Troop 88, Austin
- What:** I will be making a nature trail, so I'll need lots of help!
- Where:** The project is in Bastrop in a subdivision known as Tahitian Village. More details on below.
- Why:** **you must come**, - because I need as many volunteers as I can get. Boy scouts need volunteer hours.
- When:** September 6th, 9 am to 6 pm.

Directions: (from Austin)

- Get on highway 71 east and to go to Bastrop, **stay on highway 71**
- You will pass through most of Bastrop, and cross the Colorado River
- Then there will be a stoplight at highway 95, then another stoplight, on the right of this stop light the road is named Tahitian Dr., turn right onto it.
- Stay on Tahitian Dr. until it ends
- At the end of Tahitian Dr. take a right onto Riverside Dr. (golf course will be on left)
- Follow Riverside Dr. until it turns into a dirt road, keep going straight and there will be a clearing on your left
- TAKE THE 2ND DRIVEWAY DOWN on your left

The project is from 9am to 6pm so leave about an hour early. Since it is far from Austin and gas is expensive, I suggest (if you live in Austin) carpooling from the church.

If you do not understand directions perform a Google map search on Tahitian Dr or Riverside Drive, Bastrop TX
